GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Water Sector Improvement Project, Andhra Pradesh – Project Preparation and Management Unit - Engaging one "Senior Engineering Consultant" and one "Engineering Consultant" to review estimates, bidding documents, deviations, revised estimates and contract management – orders – Issued.

---

WATER RESOURCES (IS.EA) DEPARTMENT

G.O.RT.No. 507 Dt:06.08.2015

Read the following:

1. G.O.Rt.No.792, I&CAD (PW.EA) Deptt., Dt:22.11.2010
2. From the Project Director, PPMU, WSIP, Hyderabad Lr.No.PD/PPMU-APWSIP/HYD/ 407 PD, Dt:18.05.2015

ORDER:

In the reference 2nd read above, the Project Director, PPMU, WSIP has stated that the erstwhile combined State of Andhra Pradesh was implementing the World Bank assisted Andhra Pradesh Water Project (APWSIP) to modernize and rehabilitate the Nagarjunasagar Scheme with effect from 10th September, 2010. As a result of project bifurcation, the PPMU has also been divided into two PPMUs, one each for the States of Andhra Pradesh and Telangana duly dividing the staff in the proportion of 58:42 ratio as envisaged in the AP Reorganization Act, 2014.

2. The Project Director, PPMU, WSIP has also stated that it is very much difficult to carry out the work with the available meagre staff of 2 Assistant Executive Engineers, one Executive Engineer and one Superintending Engineer who are supposed to look into all the technical aspects like review of estimates and Bid documents, Engineering Designs, QC&QA Correspondence, Conducting review meetings with field staff for review of progress of ongoing package works, Correspondence with World Bank regarding Prior review packages including procurement activities. If there is no support from the engineering consultants with expertise in all the above areas, it is very difficult to the above staff for attending to the work right from scrutinizing and correcting the estimates to regularly monitoring the progress of works being executed in the project. Therefore, it is proposed to hire two engineering consultants i.e., one Senior Engineering Consultant and one Engineering Consultant for the PPMU of Andhra Pradesh State who will facilitate smooth and efficient functioning of the project and also that the World Bank has given no objection for the proposal to recruit one Senior Engineering Consultant and one Engineering Consultant vide Facsimile, Dt:05.05.2015.

3. Government after careful examination of the matter hereby accord permission to the Project Director, PPMU, WSIP, A.P. for engaging one Senior Engineering Consultant and one Engineering Consultant with remuneration of Rs.50,000/- and Rs.40,000/- per month respectively plus an amount of Rs.25,000/- towards travelling allowance as defined TOR approved by the World Bank till the completion of Project only.

4. The Expenditure is debitable under the Head of Account "2700-Major Irrigation-SMJH 01 MIC-MH 800 Other Expenditure-GH 03 EAP-SH.25PE under Project Director, PPMU-280 Professional Services-284 Other payments".

5. The Project Director, PPMU, APWSIP shall take action accordingly.

6. This order is issued with the concurrence of Finance (HR.I) Department vide their U.O.No.7689/245/A3/HR.I/15, Dt:21.07.2015.

**(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)**
